DUTIES

The Office of Inspector General (OIG) for the U.S. Department of Health and Human Services (HHS) combats fraud, waste and abuse in HHS programs, including Medicare, Medicaid, National Institutes of Health, Centers for Disease Control and Prevention, Food and Drug Administration, and more. HHS-OIG is the largest civilian inspector general's office in the federal government, employing a nationwide network of auditors, investigators, attorneys, and evaluators who provide program recommendations to decision-makers, distribute educational resources to the industry and public, and investigate cases to root out fraud. Our vision is to drive positive change in HHS programs and in the lives of the people served by these programs.

The Office of Counsel to the Inspector General (OCIG) is OIG's legal office. OCIG provides legal advice and representation for OIG in all its activities. Within OCIG, the Administrative and Civil Remedies Branch (ACRB), among other things, pursues administrative enforcement, including under the Civil Monetary Penalty Law, exclusions statutes, and the Emergency Medical Treatment and Labor Act (EMTALA). ACRB represents HHS in False Claims Act cases; negotiates and monitors Corporate Integrity Agreements; and defends OIG in administrative appeals of exclusions from Federal health care programs. OCIG staff works closely with professionals across OIG to support legally-sound, high-impact work that protects HHS programs and the people touched by those programs.

ACRB is hiring two attorneys to support its mission. The position(s) will be as an Associate Counsel (GS-12 to GS-13) and Senior Counsel (GS-14 to GS-15). The duties of the position(s) will include:

- Representing OIG in the resolution of civil monetary penalties matters, including EMTALA and matters self-disclosed through OIG self-disclosure protocols.
- Representing OIG at administrative hearings regarding exclusion.
- Advising and preparing legal opinions on a variety of issues related to the Federal health care fraud and abuse laws.
- Providing litigation support to the Department of Justice on matters involving HHS programs, including in False Claims Act matters.
- Negotiating and monitoring Corporate Integrity Agreements.
