CORPORATE INTEGRITY AGREEMENT
BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
ANNE ARUNDEL MEDICAL CENTER

I. PREAMBLE

Anne Arundel Medical Center (AAMC) hereby enters into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). Contemporaneously with this CIA, AAMC is entering into a Settlement Agreement with the United States.

AAMC represents that, prior to the CIA’s Effective Date, AAMC voluntarily established a compliance program that addresses all seven elements of an effective compliance program and designed to address compliance with Federal health care program requirements (Compliance Program). AAMC shall continue its Compliance Program throughout the term of the CIA and shall do so in accordance with the terms set forth below. AAMC may modify the Compliance Program, as appropriate, but at a minimum, AAMC shall ensure that during the term of this CIA, it shall comply with the obligations set forth in herein.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by AAMC under this CIA shall be five years from the effective date of this CIA. The “Effective Date” shall be the date on which the final signatory of this CIA executes this CIA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) AAMC’s final Annual Report or (2) any additional materials submitted by AAMC pursuant to OIG’s request, whichever is later.
C. For purposes of this CIA, the term “Covered Persons” includes: (1) all owners who are natural persons, officers, trustees, and employees of AAMC; (2) all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of AAMC, excluding vendors whose sole connection with AAMC is selling or otherwise providing medical supplies or equipment to AAMC; and (3) all physicians and other non-physician practitioners who are members of AAMC’s active medical staff.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours during a Reporting Period, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during a Reporting Period.

III. CORPORATE INTEGRITY OBLIGATIONS

AAMC shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Officer and Committee, Board of Trustees, and Management Compliance Obligations

1. Compliance Officer. Within 90 days after the Effective Date, AAMC shall appoint a Compliance Officer and shall maintain a Compliance Officer for the term of the CIA. The Compliance Officer shall be an employee and a member of senior management of AAMC, shall report directly to the Chief Executive Officer of AAMC, and shall not be or be subordinate to the General Counsel or Chief Financial Officer or have any responsibilities that involve acting in any capacity as legal counsel or supervising legal counsel functions for AAMC. The Compliance Officer shall be responsible for, without limitation:

   a. developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements;

   b. making periodic (at least quarterly) reports regarding compliance matters directly to the Audit and Compliance Committee of the Board of Trustees of AAMC (Audit and Compliance Committee) and shall be authorized to report on
such matters to the Audit and Compliance Committee at any time. Written documentation of the Compliance Officer’s reports to the Audit and Compliance Committee shall be made available to OIG upon request; and

c. monitoring the day-to-day compliance activities engaged in by AAMC as well as any reporting obligations created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.

AAMC shall report to OIG, in writing, any changes in the identity of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five days after such a change.

2. **Compliance Committee.** Within 90 days after the Effective Date, AAMC shall appoint a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Officer shall chair the Compliance Committee and the Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of AAMC’s risk areas and shall oversee monitoring of internal and external audits and investigations). The Compliance Committee shall meet at least quarterly. The minutes of the Compliance Committee meetings shall be made available to OIG upon request.

AAMC shall report to OIG, in writing, any actions or changes that would affect the Compliance Committee’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

3. **Board Compliance Obligations.** The Audit and Compliance Committee shall be responsible for the review and oversight of matters related to compliance with Federal health care program requirements and the obligations of this CIA. The Audit and Compliance Committee must include independent (i.e., non-executive) members.
The Audit and Compliance Committee shall, at a minimum, be responsible for the following:

a. meeting at least quarterly to review and oversee AAMC’s compliance program, including but not limited to the performance of the Compliance Officer and Compliance Committee;

b. submitting to OIG a description of the documents and other materials it reviewed, as well as any additional steps taken, such as the engagement of an independent advisor or other third party resources, in its oversight of the compliance program and in support of making the resolution below during each Reporting Period; and

c. for each Reporting Period of the CIA, adopting a resolution, signed by each member of the Audit and Compliance Committee summarizing its review and oversight of AAMC’s compliance with Federal health care program requirements and the obligations of this CIA.

At minimum, the resolution shall include the following language:

“The Audit and Compliance Committee has made a reasonable inquiry into the operations of AAMC’s Compliance Program, including the performance of the Compliance Officer and the Compliance Committee. Based on its inquiry and review, the Audit and Compliance Committee has concluded that, to the best of its knowledge, AAMC has implemented an effective Compliance Program to meet Federal health care program requirements and the obligations of the CIA.”

If the Audit and Compliance Committee is unable to provide such a conclusion in the resolution, the Audit and Compliance Committee shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at AAMC.

AAMC shall report to OIG, in writing, any changes in the composition of the Audit and Compliance Committee, or any actions or changes that would affect the Audit and Compliance Committee’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

4. **Management Certifications.** In addition to the responsibilities set forth in this CIA for all Covered Persons, certain AAMC employees (Certifying Employees) are expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable AAMC department is in compliance with applicable Federal health care program requirements and the obligations of this CIA. These Certifying Employees shall include, at a minimum, the following: President/Chief Executive Officer; Chief Operating Officer; Chief Financial Officer; Chief Medical Officer; Chief Human Resources Officer; and Chief Information Officer. For each Reporting Period, each Certifying Employee shall sign a certification that states:

“I have been trained on and understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements, obligations of the Corporate Integrity Agreement, and AAMC policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of AAMC is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

B. **Written Standards**

Within 90 days after the Effective Date, AAMC shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and AAMC’s compliance with Federal health care program requirements (Policies and Procedures). Throughout the term of this CIA, AAMC shall enforce its Policies and Procedures and shall make compliance with its Policies and Procedures an element of evaluating the performance of all employees. The Policies and Procedures shall be made available to all Covered Persons.

At least annually (and more frequently, if appropriate), AAMC shall assess and update, as necessary, the Policies and Procedures. Any new or revised Policies and Procedures shall be made available to all Covered Persons.
All Policies and Procedures shall be made available to OIG upon request.

C. Training and Education

1. Covered Persons Training. Within 90 days after the Effective Date, AAMC shall develop a written plan (Training Plan) that outlines the steps AAMC will take to ensure that all Covered Persons receive at least annual training regarding AAMC’s CIA requirements and Compliance Program and the applicable Federal health care program requirements, including the requirements of the Anti-Kickback Statute and the Stark Law. The Training Plan shall include information regarding the following: training topics, categories of Covered Persons required to attend each training session, length of the training session(s), schedule for training, and format of the training. AAMC shall furnish training to its Covered Persons pursuant to the Training Plan during each Reporting Period.

2. Board Training. Within 90 days after the Effective Date, each member of the Board of Trustees (Board) shall receive at least two hours of training. This training shall address the corporate governance responsibilities of board members, and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be conducted by an outside compliance expert hired by the Board and should include a discussion of the OIG’s guidance on Board member responsibilities.

New members of the Board shall receive the Board training described above within 30 days after becoming a member or within 90 days after the Effective Date, whichever is later.

3. Training Records. AAMC shall make available to OIG, upon request, training materials and records verifying that Covered Persons and Board members have timely received the training required under this section.

D. Review Procedures

1. General Description

a. Engagement of Independent Review Organization. Within 90 days after the Effective Date, AAMC shall engage an entity (or entities), such as an accounting, auditing, or consulting...
firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

b. **Retention of Records.** The IRO and AAMC shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and AAMC) related to the reviews.

c. **Access to Records and Personnel.** AAMC shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in this Section III.D and that all records furnished to the IRO are accurate and complete.

2. **Claims Review.** The IRO shall review claims submitted by AAMC and reimbursed by the Medicare, Medicaid, and TRICARE programs, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Independence and Objectivity Certification.** The IRO shall include in its report(s) to AAMC a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between AAMC and the IRO.

E. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, AAMC shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with AAMC’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare, Medicaid, and TRICARE program beneficiaries. The risk assessment and internal review process shall require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop
internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. AAMC shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, AAMC shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with AAMC’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. AAMC shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of AAMC’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by AAMC. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, AAMC shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

G. Ineligible Persons

1. Definitions. For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:

      i. is currently excluded from participation in any Federal health care program; or

      ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded.

2. Screening Requirements. AAMC shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. AAMC shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

   b. AAMC shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

   c. AAMC shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

   Nothing in this Section III.G affects AAMC’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. AAMC understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health
care programs and that AAMC may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether AAMC meets the requirements of Section III.G.

3. **Removal Requirement.** If AAMC has actual notice that a Covered Person has become an Ineligible Person, AAMC shall remove such Covered Person from responsibility for, or involvement with, AAMC’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If AAMC has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, AAMC shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, AAMC shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to AAMC conducted or brought by a governmental entity or its agents involving an allegation that AAMC has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. AAMC also shall provide written notice to OIG within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

I. **Overpayments**

1. **Definition of Overpayment.** An “Overpayment” means any funds that AAMC receives or retains under any Federal health care program to which AAMC, after applicable reconciliation, is not entitled under such Federal health care program.
2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, AAMC shall develop and implement written policies and procedures regarding the identification, quantification, and repayment of Overpayments received from any Federal health care program.

J. **Reportable Events**

1. **Definition of Reportable Event.** For purposes of this CIA, a “Reportable Event” means anything that involves:
   
   a. a substantial Overpayment;
   
   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;
   
   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or
   
   d. the filing of a bankruptcy petition by AAMC.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If AAMC determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, AAMC shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.J.1.a and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;
b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

c. the Federal health care programs affected by the Reportable Event;

d. a description of the steps taken by AAMC to identify and quantify any Overpayments; and

e. a description of AAMC’s actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, AAMC shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance and provide OIG with a copy of the notification and repayment.

4. **Reportable Events under Section III.J.1.c.** For Reportable Events under Section III.J.1.c, the report to OIG shall include:

   a. the identity of the Ineligible Person and the job duties performed by that individual;

   b. the dates of the Ineligible Person’s employment or contractual relationship;

   c. a description of the Exclusion List screening that AAMC completed before and/or during the Ineligible Person’s employment or contract and any flaw or breakdown in the screening process that led to the hiring or contracting with the Ineligible Person;

   d. a description of how the Ineligible Person was identified; and

   e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.
5. **Reportable Events under Section III.J.1.d.** For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by AAMC to CMS through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If AAMC identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then AAMC is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

**IV. SUCCESSOR LIABILITY**

In the event that, after the Effective Date, AAMC proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program, or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG. AAMC shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

If, in advance of a proposed sale or a proposed purchase, AAMC wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, AAMC must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the business, business unit, or location to be sold or purchased, a brief description of the terms of the transaction and, in the case of a proposed sale, the name and contact information of the prospective purchaser.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may conduct interviews, examine and/or request copies of or copy AAMC’s books, records, and other documents and supporting materials, and conduct on-site reviews of any of AAMC’s locations, for the purpose of verifying and evaluating: (a) AAMC’s compliance with the terms of this CIA and (b) AAMC’s compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by AAMC to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of AAMC’s owners, employees, contractors, and trustees who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. AAMC shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. AAMC’s owners, employees, contractors, and trustees may elect to be interviewed with or without a representative of AAMC present.
VIII. DOCUMENT AND RECORD RETENTION

AAMC shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify AAMC prior to any release by OIG of information submitted by AAMC pursuant to its obligations under this CIA and identified upon submission by AAMC as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, AAMC shall have the rights set forth at 45 C.F.R. § 5.42(a).

X. BREACH AND DEFAULT PROVISIONS

AAMC is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, AAMC and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day AAMC fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Compliance Officer;

   b. a Compliance Committee;

   c. the Board compliance obligations;

   d. the management certification obligations;

   e. written Policies and Procedures;
f. the development of a written training plan and the training and education of Covered Persons and Board members;

g. a risk assessment and internal review process;

h. a Disclosure Program;

i. Ineligible Persons screening and removal requirements;

j. notification of Government investigations or legal proceedings;

k. policies and procedures regarding the repayment of Overpayments; and

l. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day AAMC fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day AAMC fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day AAMC fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day AAMC fails to grant access as required in Section VII (This Stipulated Penalty shall begin to accrue on the date AAMC fails to grant access.).

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of AAMC as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or otherwise required by this CIA.
7. A Stipulated Penalty of $2,500 for each day AAMC fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.D, and for each day AAMC fails to furnish accurate and complete records to the IRO, as required by Section III.D and Appendix A.

8. A Stipulated Penalty of $1,000 for each day AAMC fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to AAMC stating the specific grounds for its determination that AAMC has failed to comply fully and adequately with the CIA obligation(s) at issue and steps AAMC shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date AAMC receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions

AAMC may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after AAMC fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after AAMC receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. **Demand Letter.** Upon a finding that AAMC has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify AAMC of: (a) AAMC’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. **Response to Demand Letter.** Within 10 days after the receipt of the Demand Letter, AAMC shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law
judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event AAMC elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until AAMC cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that AAMC has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by AAMC to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by AAMC constitutes an independent basis for AAMC’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach.
breach. Upon a determination by OIG that AAMC has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify AAMC of: (a) AAMC’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** AAMC shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) AAMC has begun to take action to cure the material breach; (ii) AAMC is pursuing such action with due diligence; and (iii) AAMC has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, AAMC fails to satisfy the requirements of Section X.D.3, OIG may exclude AAMC from participation in the Federal health care programs. OIG shall notify AAMC in writing of its determination to exclude AAMC. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of AAMC’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, AAMC may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to AAMC of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, AAMC shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within

10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether AAMC was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. AAMC shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders AAMC to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless AAMC requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether AAMC was in material breach of this CIA and, if so, whether:

   a. AAMC cured such breach within 30 days of its receipt of the Notice of Material Breach; or

   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following AAMC’s receipt of the Notice of Material Breach: (i) AAMC had begun to take action to cure the material breach; (ii) AAMC pursued such action with due diligence; and (iii) AAMC provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for AAMC, only after a DAB decision in favor of OIG. AAMC’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude AAMC upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that
exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that AAMC may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. AAMC shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of AAMC, AAMC shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

AAMC and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of AAMC’s obligations under this CIA based on a certification by AAMC that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If AAMC is relieved of its CIA obligations, AAMC shall be required to notify OIG in writing at least 30 days in advance if AAMC plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) AAMC’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.
E. The undersigned AAMC signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. AAMC shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by AAMC in response to a request by OIG, whichever is later, OIG will notify AAMC if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, AAMC may continue to engage the IRO.

2. If AAMC engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, AAMC shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by AAMC at the request of OIG, whichever is later, OIG will notify AAMC if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, AAMC may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare, state Medicaid, and TRICARE program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope
of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare, state Medicaid, and TRICARE program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare, state Medicaid, or TRICARE program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. AAMC Responsibilities

AAMC shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in III.D of this CIA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.
F. IRO Removal/Termination

1. **AAMC and IRO.** If AAMC terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, AAMC must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. AAMC must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify AAMC in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. AAMC shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by AAMC regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify AAMC in writing that AAMC shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. AAMC must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require AAMC to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

   a. Overpayment: The amount of money AAMC has received in excess of the amount due and payable under Medicare, state Medicaid, or TRICARE program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

   b. Paid Claim: A claim submitted by AAMC and for which AAMC has received reimbursement from the Medicare, state Medicaid, or TRICARE program.

   c. Anticoagulation Clinic Population: The Population for Claims Review Sample 1 shall be defined as all Paid Claims for oral anticoagulation therapy during the 12-month period covered by the Claims Review.

   d. Other Hospital Department Population: The Population for Claims Review Sample 2 shall be defined as all Paid Claims for the hospital department selected by the IRO or OIG (as applicable) pursuant to Section 2.b below during the 12 month period covered by the Claims Review.

2. Claims Review Samples.

   a. Claims Review Sample 1: The IRO shall randomly select and review a sample of 50 Paid Claims from the Anticoagulation Clinic Population (Claims Review Sample 1).

   b. Claims Review Sample 2: For the first Reporting Period, the IRO shall randomly select and review a sample of 50 Paid Claims for a randomly selected hospital department other than the Anticoagulation Clinic during the 12 month period covered by the Claims Review (Claims Review Sample 2). For the second through fifth Reporting Periods, OIG shall select the hospital department for
Claims Review Sample 2 and shall notify the IRO of the hospital department selected at least 30 days prior to the end of the applicable Reporting Period. The IRO shall then randomly select and review a sample of 50 Paid Claims for the selected hospital department during the 12 month period covered by the Claims Review.

AAMC, or its IRO on behalf of AAMC, may submit a proposal recommending the hospital department to be selected for Claims Review Sample 2 at least 90 days prior to the end of each Reporting Period. In selecting the hospital department for Claims Review Sample 2, OIG may consider (1) proposals submitted by AAMC or its IRO or (2) information furnished to OIG regarding the results of AAMC’s internal risk assessment and internal auditing. The selection of the hospital department to be reviewed shall be made at the sole discretion of OIG.

The Paid Claims for each Claims Review Sample shall be reviewed based on the supporting documentation available at AAMC’s office or under AAMC’s control and applicable Medicare, state Medicaid, and TRICARE program requirements to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claim was correctly coded, submitted, and reimbursed. For any Paid Claim in either Claims Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. **Other Requirements.**

a. **Supplemental Materials.** The IRO shall request all documentation and materials required for its review of the Paid Claims in each Claims Review Sample and AAMC shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Samples. If the IRO accepts any supplemental documentation or materials from AAMC after the IRO has completed its initial review of the Claims Review Samples (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were
accepted and the IRO’s reasons for accepting the Supplemental Materials.

b.  **Paid Claims without Supporting Documentation.** Any Paid Claim for which AAMC cannot produce documentation shall be considered an error and the total reimbursement received by AAMC for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c.  **Use of First Samples Drawn.** For the purposes of each Claims Review Sample discussed in this Appendix, the first set of Paid Claims selected shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with that Claims Review Sample).

4.  **Repayment of Identified Overpayments.** AAMC shall repay within 60 days any Overpayment(s) identified by the IRO in either Claims Review Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance (the “CMS overpayment rule”). If AAMC determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, AAMC shall repay that amount at the mean point estimate as calculated by the IRO. AAMC shall make available to OIG all documentation that reflects the refund of any Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related work papers) received from AAMC to the appropriate Medicare, state Medicaid, or TRICARE program contractor for appropriate follow up by that payor.

B.  **Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1.  **Claims Review Methodology.**

b.  **Claims Review Objective.** A clear statement of the objective intended to be achieved by the Claims Review.

c.  **Source of Data.** A description of (1) the process used to identify Paid Claims in the Anticoagulation Clinic Population and the Other Hospital Department Population (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g.,
medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. **Review Protocol.** A narrative description of how the Claims Review was conducted and what was evaluated.

e. **Supplemental Materials.** A description of any Supplemental Materials as required by Section A.3.a., above.

2. **Statistical Sampling Documentation.**

   a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

   b. A description or identification of the statistical sampling software package used by the IRO.

3. **Claims Review Findings.**

   a. **Narrative Results.**

      i. A description of AAMC’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

      ii. A description of controls in place at AAMC to ensure that all items and services billed to Medicare, a state Medicaid program, or the TRICARE program are medically necessary and appropriately documented.

      iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of each Claims Review Sample.
b. **Quantitative Results.** For each Claims Review Sample, the IRO shall provide the following information:

i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by AAMC differed from what should have been the correct coding and in which such difference resulted in an Overpayment to AAMC.

ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to AAMC.

iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary and resulted in an Overpayment to AAMC.

iv. Total dollar amount of all Overpayments in the Claims Review Sample.

v. Total dollar amount of Paid Claims included in the Claims Review Sample.

vi. Error Rate in the Claims Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the Claims Review Sample by the total dollar amount associated with the Paid Claims in the Claims Review Sample.

vii. An estimate of the actual Overpayment in the Anticoagulation Clinic Population and the Other Hospital Department Population (as applicable) at the mean point estimate.

viii. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, code submitted (e.g., DRG, CPT code, etc.), code reimbursed, allowed amount reimbursed by payor, correct code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
c. **Recommendations.** The IRO’s report shall include any recommendations for improvements to AAMC’s billing and coding system or to AAMC’s controls for ensuring that all items and services billed to Medicare, a state Medicaid program, or the TRICARE program are medically necessary and appropriately documented, based on the findings of each Claims Review.

4. **Credentials.** The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for each Claims Review and (2) performed each Claims Review.
