submission of claims for items and services furnished to Medicare, state Medicaid, and TRICARE program beneficiaries. The risk assessment and internal review process shall require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks. Based upon results of the risk assessment, the Hospital Compliance Officer shall: (1) develop internal audit work plans related to the identified risk areas, (2) implement the internal audit work plans, (3) develop corrective action plans in response to the results of any internal audits performed, and (4) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. South Miami Hospital shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of South Miami Hospital’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Hospital Compliance Officer or other appropriate individual designated by South Miami Hospital. Upon receipt of a disclosure, the Hospital Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Hospital Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, South Miami Hospital shall conduct an internal
review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Hospital Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

Nothing in this Section III.G affects South Miami Hospital’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. South Miami Hospital understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that South Miami Hospital may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether South Miami Hospital meets the requirements of Section III.G.

3. Removal Requirement. If South Miami Hospital has actual notice that a Covered Person has become an Ineligible Person, South Miami Hospital shall remove such Covered Person from responsibility for, or involvement with, South Miami Hospital’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. Pending Charges and Proposed Exclusions. If South Miami Hospital has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, South Miami Hospital shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. Notification of Government Investigation or Legal Proceeding

Within 30 days after discovery, South Miami Hospital shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to South Miami Hospital.

3. **Reportable Events under Section III.J.1.a and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. **Reportable Events under Section III.J.1.d.** For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by South Miami Hospital to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG.    b. he or she has reviewed the report and has made reasonable inquiry regarding its content and believes that the information in the report is accurate and truthful.

3. **Controller.** The first Annual Report shall include a certification by the Controller that, to the best of his or her knowledge, South Miami Hospital has complied with its obligations under the Settlement Agreement: (a) not to resubmit to any Federal health care program payors any previously denied claims related to the Covered Conduct addressed in the Settlement Agreement, and not to appeal any such denials of claims; (b) not to charge to or otherwise seek payment from federal or state payors for unallowable costs (as defined in the Settlement Agreement); and (c) to identify and adjust any past charges or claims for unallowable costs.

D. **Designation of Information**

South Miami Hospital shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. South Miami Hospital shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify South Miami Hospital prior to any release by OIG of information submitted by South Miami Hospital pursuant to its obligations under this CIA and identified upon submission by South Miami Hospital as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, South Miami Hospital shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

South Miami Hospital is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, South Miami Hospital and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of
the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day South Miami Hospital fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Hospital Compliance Officer;

   b. a Hospital Compliance Committee;

   c. the Board of Directors compliance obligations, and the engagement of a Compliance Expert, the performance of a Compliance Program Review and the preparation of a Compliance Program Review Report, as required by Section III.A.3.;

   d. the management certification obligations;

   e. written Policies and Procedures;

   f. training and education of Covered Persons and Board Members;

   g. a risk assessment and internal review process;

   h. a Disclosure Program;

   i. Ineligible Persons screening and removal requirements;

   j. notification of Government investigations or legal proceedings;

   k. policies and procedures regarding the repayment of Overpayments; and

   l. reporting of Reportable Events.
2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day South Miami Hospital fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day South Miami Hospital fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day South Miami Hospital fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day South Miami Hospital fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date South Miami Hospital fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of South Miami Hospital as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day South Miami Hospital fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to South Miami Hospital stating the specific grounds for its determination that South Miami Hospital has failed to comply fully and adequately with the CIA obligation(s) at issue and steps South Miami Hospital shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date South Miami Hospital receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

South Miami Hospital may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated
Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after South Miami Hospital fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after South Miami Hospital receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that South Miami Hospital has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify South Miami Hospital of: (a) South Miami Hospital’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, South Miami Hospital shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event South Miami Hospital elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until South Miami Hospital cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that South Miami Hospital has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.
D. Exclusion for Material Breach of this CIA

1. Definition of Material Breach. A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by South Miami Hospital to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this CIA by South Miami Hospital constitutes an independent basis for South Miami Hospital’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that South Miami Hospital has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify South Miami Hospital of: (a) South Miami Hospital’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. Opportunity to Cure. South Miami Hospital shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) South Miami Hospital has begun to take action to cure the material breach; (ii) South Miami Hospital is pursuing such action with due diligence; and (iii) South
Miami Hospital has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, South Miami Hospital fails to satisfy the requirements of Section X.D.3, OIG may exclude South Miami Hospital from participation in the Federal health care programs. OIG shall notify South Miami Hospital in writing of its determination to exclude South Miami Hospital. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of South Miami Hospital’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, South Miami Hospital may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to South Miami Hospital of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, South Miami Hospital shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at [http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html](http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html).

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether South Miami Hospital was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. South Miami Hospital shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the
DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders South Miami Hospital to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless South Miami Hospital requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether South Miami Hospital was in material breach of this CIA and, if so, whether:

   a. South Miami Hospital cured such breach within 30 days of its receipt of the Notice of Material Breach; or

   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following South Miami Hospital’s receipt of the Notice of Material Breach: (i) South Miami Hospital had begun to take action to cure the material breach; (ii) South Miami Hospital pursued such action with due diligence; and (iii) South Miami Hospital provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for South Miami Hospital, only after a DAB decision in favor of OIG. South Miami Hospital’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude South Miami Hospital upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that South Miami Hospital may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. South Miami Hospital shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of South Miami Hospital, South Miami Hospital shall be reinstated effective on the date of the original exclusion.

*Corporate Integrity Agreement – South Miami Hospital, Inc.*
4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

South Miami Hospital and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of South Miami Hospital’s obligations under this CIA based on a certification by South Miami Hospital that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If South Miami Hospital is relieved of its CIA obligations, South Miami Hospital shall be required to notify OIG in writing at least 30 days in advance if South Miami Hospital plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) South Miami Hospital’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned South Miami Hospital signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted
copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. South Miami Hospital shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by South Miami Hospital in response to a request by OIG, whichever is later, OIG will notify South Miami Hospital if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, South Miami Hospital may continue to engage the IRO.

2. If South Miami Hospital engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, South Miami Hospital shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by South Miami Hospital at the request of OIG, whichever is later, OIG will notify South Miami Hospital if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, South Miami Hospital may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare, state Medicaid, and TRICARE program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);
4. assign licensed nurses or physicians with relevant education, training and
specialized expertise (or other licensed health care professionals acting within their scope
of practice and specialized expertise) to make the medical necessity determinations
required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the
CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements
   of the CIA;

2. follow all applicable Medicare, state Medicaid, and TRICARE program
   rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare
   contractor), if in doubt of the application of a particular Medicare, state Medicaid, and
   TRICARE program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information
   required by Appendix B to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and
objective fashion, as defined in the most recent Government Auditing Standards issued
by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. South Miami Hospital and IRO. If South Miami Hospital terminates its
IRO or if the IRO withdraws from the engagement during the term of the CIA, South
Miami Hospital must submit a notice explaining (a) its reasons for termination of the IRO
or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination
or withdrawal. South Miami Hospital must engage a new IRO in accordance with
Paragraph A of this Appendix and within 60 days of termination or withdrawal of the
IRO.
2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify South Miami Hospital in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. South Miami Hospital shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by South Miami Hospital regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify South Miami Hospital in writing that South Miami Hospital shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. South Miami Hospital must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require South Miami Hospital to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

   a. **Overpayment**: The amount of money South Miami Hospital has received in excess of the amount due and payable under Medicare, state Medicaid, or TRICARE program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

   b. **Paid Claim**: A claim submitted by South Miami Hospital and for which South Miami Hospital has received reimbursement from the Medicare, state Medicaid, or TRICARE programs.

   c. **Population**: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed and shall notify South Miami Hospital and the IRO of its selection of the Population at least 30 days prior to the end of each Reporting Period. South Miami Hospital, or its IRO on behalf of South Miami Hospital, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed at least 90 days prior to the end of each Reporting Period. In connection with limiting the Population, OIG may consider (1) proposals submitted by South Miami Hospital or its IRO or (2) information furnished to OIG regarding the results of South Miami Hospital’s internal risk assessment and internal auditing. The determination of whether, and in what manner, to limit the Population shall be made at the sole discretion of OIG.

2. Claims Review Sample. The IRO shall randomly select and review a sample of 100 Paid Claims (Claims Review Sample). The Paid Claims shall be reviewed based on the supporting documentation available at South Miami Hospital’s office or under South Miami Hospital’s control and applicable Medicare, state Medicaid and TRICARE program requirements to determine whether the items and services furnished
were medically necessary and appropriately documented and whether the claim was correctly coded, submitted, and reimbursed. For each Paid Claim in the Claims Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. **Other Requirements.**

   a. **Supplemental Materials.** The IRO shall request all documentation and materials required for its review of the Paid Claims in the Claims Review Sample and South Miami Hospital shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation or materials from South Miami Hospital after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

   b. **Paid Claims without Supporting Documentation.** Any Paid Claim for which South Miami Hospital cannot produce documentation shall be considered an error and the total reimbursement received by South Miami Hospital for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

   c. **Use of First Samples Drawn.** For the purposes of the Claims Review Sample discussed in this Appendix, the first set of Paid Claims selected shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Claims Review Sample).

4. **Repayment of Identified Overpayments.** South Miami Hospital shall repay within 60 days any Overpayment(s) identified by the IRO in the Claims Review Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R § 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If South Miami
Hospital determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, South Miami Hospital shall repay that amount at the mean point estimate as calculated by the IRO. South Miami Hospital shall make available to OIG all documentation that reflects the refund of any Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related work papers) received from South Miami Hospital to the appropriate Medicare, state Medicaid, or TRICARE programs for appropriate follow up by that payor.

B. Claims Review Report. The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

   b. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.
   c. Source of Data. A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).
   d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.
   e. Supplemental Materials. A description of any Supplemental Materials as required by Section A.3.a., above.

2. Statistical Sampling Documentation.
   a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
   b. A description or identification of the statistical sampling software package used by the IRO.
3. **Claims Review Findings.**

a. **Narrative Results.**
   
i. A description of South Miami Hospital’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
   
   ii. A description of controls in place at South Miami Hospital to ensure that all items and services billed to Medicare, state Medicaid, or TRICARE programs are medically necessary and appropriately documented.
   
   iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Claims Review Sample.

b. **Quantitative Results.**
   
i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by South Miami Hospital differed from what should have been the correct coding and in which such difference resulted in an Overpayment to South Miami Hospital.
   
   ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to South Miami Hospital.
   
   iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary and resulted in an Overpayment to South Miami Hospital.
   
   iv. Total dollar amount of all Overpayments in the Claims Review Sample.
   
   v. Total dollar amount of Paid Claims included in the Claims Review Sample.
   
   vi. Error Rate in the Claims Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the
Claims Review Sample by the total dollar amount associated with the Paid Claims in the Claims Review Sample.

vii. An estimate of the actual Overpayment in the Population at the mean point estimate.

viii. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, code submitted (e.g., DRG, CPT code, etc.), code reimbursed, allowed amount reimbursed by payor, correct code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. Recommendations.
