II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by Green Acres under this CIA shall be four (4) years from the Effective Date of this CIA (unless otherwise specified). The Effective Date of this CIA shall be the date on which the final signatory executes this CIA (Effective Date). Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”
B. Sections VII, VIII, IX, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) Green Acres’s final annual report; or (2) any additional materials submitted by Green Acres pursuant to OIG’s request, whichever is later.

C. The scope of this CIA shall be governed by the following definitions:

1. “Covered Persons” includes:

Notwithstanding the above, any nonemployee private caregivers and/or attending physicians hired by any resident or the family or friends of any resident are not Covered Persons, regardless of the hours worked per year.

III. CORPORATE INTEGRITY OBLIGATIONS

Green Acres represents that it currently operates a compliance program. Furthermore, Green Acres represents that its compliance program includes all of the elements set forth in this Section of the CIA.

A. Compliance Officer and Internal Audit or Review Functions.

1. Compliance Officer. Within 90 days after the effective date, Green Acres shall appoint a Compliance Officer, who shall be responsible for developing and
implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with the requirements of the Federal health care programs. The Compliance Officer shall be a member of senior management of Green Acres, shall make regular (at least quarterly) reports regarding compliance matters directly to the CEO and/or to the Board of Directors of Green Acres, and shall be authorized to report to the Board of Directors at any time. The Compliance Officer shall not be Green Acres’s general counsel or chief financial officer, nor shall the Compliance Officer be subordinate to Green Acres’s general counsel or chief financial officer. The Compliance Officer shall be responsible for monitoring the day-to-day activities engaged in by Green Acres to further its compliance objectives as well as any reporting obligations created under this CIA. The Compliance Officer shall also ensure that quality of care problems at Green Acres are being appropriately addressed and corrected. In the event a new Compliance Officer is appointed during the term of this CIA, or if any actions or changes affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations of the CIA, Green Acres shall notify the OIG, in writing, within fifteen (15) days of such a change.

2. Compliance Committee. To the extent not already established, Green Acres shall establish a Quality Assurance Compliance Committee (the “Committee”) within one hundred twenty (120) days after the Effective Date. The Board of Directors may determine to appoint itself or a committee of its members to serve as the Committee. The purpose of the Committee shall be to address issues concerning quality of care at Green Acres’s nursing homes. At a minimum, the Committee shall include the Compliance Officer, representatives from among senior personnel responsible for clinical operations and quality of care, and any other appropriate officers or individuals necessary to thoroughly implement the requirements of this CIA that relate to quality of care in the nursing facilities. For each Committee meeting, there shall be senior representatives from the facilities, chosen on a rotating and random basis, to report to the Committee on the adequacy of care being provided at their facilities.

3. Quality Assurance Monitoring Committee. Green Acres shall create a Quality Assurance Monitoring Committee as part of its Board of Directors to provide oversight on quality of care issues. This committee shall: (a) review the adequacy of Green Acres’s system of internal controls, quality assurance monitoring, and patient care; (b) ensure that Green Acres’s response to state, federal, internal, and external reports of quality of care issues is complete, thorough, and resolves the issue(s) identified; and (c) ensure that Green Acres adopts and implements policies and procedures that are designed to ensure that each individual cared for at a Green Acres facility receives the highest practicable physical, mental, and psychosocial level of care attainable. The individuals who serve on this committee shall be readily available to the Compliance Officer and the Monitors required under this CIA to respond to any issues or questions that might arise.
The names of the Board members and the charter for the Quality Assurance Monitoring Committee shall be provided to the OIG within one hundred fifty (150) days after the Effective Date. When new members are appointed, or the responsibilities or authorities of the Quality Assurance Monitoring Committee are substantially changed, Green Acres shall notify the OIG, in writing, within fifteen (15) days of such a change.

2. Internal Audit and Review Functions. To the extent not already established, Green Acres shall, within 90 days after the Effective Date, create a program for performing internal quality audits and reviews. The internal audits and reviews shall:

   a. make findings of whether the residents at each of its facilities are receiving the quality of care and quality of life consistent with basic care, treatment, and protection from harm standards, including but not limited to, 42 C.F.R. Parts 482 and 483 and any other applicable Federal and state statutes, regulations, and directives;

   c. make findings of whether training is performed in accordance with this CIA;

   d. make findings of whether Disclosure Program complaints are appropriately investigated;

   e. make findings of whether the reporting obligations are complied with in accordance with this CIA; and

   f. make findings of whether corrective action plans are timely created, implemented, and enforced.

B. Written Standards.

   1. Code of Conduct. Within 90 days after the Effective Date, Green Acres shall establish a Code of Conduct and distribute it to all Covered Persons. Green Acres shall make adherence to the Code of Conduct an element in evaluating the performance of Covered Persons. The Code of Conduct shall, at a minimum, set forth:
a. Green Acres’s commitment to full compliance with all statutes, regulations, directives, and guidelines applicable to Federal health care programs, including their commitment to prepare and submit accurate billings consistent with Federal health care program regulations and procedures or instructions otherwise communicated by the Centers for Medicare and Medicaid Services (CMS) (or other appropriate regulatory agencies) and/or fiscal intermediaries or carriers;

b. Green Acres’s requirement that all of their Covered Persons shall be expected to comply with all statutes, regulations, directives, and guidelines applicable to Federal health care programs and with Green Acres’s own policies and procedures (including the requirements of this CIA);

c. the requirement that all Covered Persons shall be expected to report, within 30 days, suspected violations of any statute, regulation, directive, or guideline applicable to Federal health care programs or of Green Acres’s own policies and procedures; if there are credible allegations of patient harm, such report shall be made immediately and shall be complete, full, and honest;

d. the possible consequences to Green Acres and any Covered Person of failure to comply with all statutes, regulations, directives, and guidelines applicable to Federal health care programs and with Green Acres’s own policies and procedures or of failure to report such non-compliance; and

e. the right of all Covered Persons to use the Disclosure Program described in Section III.E, as well as Green Acres’s commitment to confidentiality and nonretaliation with respect to disclosures.

Within 90 days after the Effective Date, to the extent not already accomplished, each Covered Person shall certify, in writing, that he or she has received, read, understood, and will abide by the Code of Conduct. New Covered Persons shall receive the Code of Conduct and shall complete the required certification within 2 weeks after the commencement of their appointment, employment, or contract or within 90 days after the Effective Date, whichever is later.

Green Acres shall annually review the Code of Conduct and shall make any necessary revisions. These revisions shall be distributed within 30 days of initiating such
a change. Covered Persons shall certify on an annual basis that they have received, read, understood and will abide by the Code of Conduct.

2. Policies and Procedures. Within 90 days after the Effective Date, Green Acres shall develop and implement written Policies and Procedures regarding the operation of the compliance program and compliance with all Federal and state health care statutes, regulations, directives, and guidelines, including the requirements of the Federal health care programs. At a minimum, these Policies and Procedures shall specifically address:

   a. Measures designed to ensure that, Green Acres fully comply with Titles XVIII and XIX of the Social Security Act, 42 U.S.C. §§ 1395-1395hhh and 1396-1396v, and all regulations, directives, and guidelines promulgated pursuant to these statutes, including, but not limited to, 42 C.F.R. g. Measures that specify that if the director of nursing (or other person who is making staffing decisions) disagrees with a staffing determination made by the Administrator or other individuals at the district, region, or corporate level that is not in compliance with state or federal regulations or the CIA and that significantly affects patient care, and is unable to resolve the issue through the normal chain of responsibility, then that person must immediately contact the Disclosure Program, described in Section III.E, and the Monitor. Nothing in this subsection prohibits or prevents such person from contacting the Disclosure Program or the Monitor without first going through the normal chain of responsibility;

h. Measures designed to inform Covered Persons of the staffing requirements of federal and state law;

i. Measures designed to inform Covered Persons during orientation and during other training required by this CIA that staffing levels are a critical aspect of patient and resident care, and that if any person has a concern about the level of staffing there are many avenues available to report such concerns, including, but not limited to, the Administrator, the Disclosure Program (as described in Section III.E of the CIA), individuals at the district, regional, or corporate level, directly to the monitor, or directly to the Compliance Officer, who shall then forward the report to the Monitor;
j. Measures designed to minimize the number of staff or contractors who are on a temporary assignment or not employed by Green Acres (not including those persons who are included in the definition of Covered Persons) and measures designed to create and maintain a standardized system to track the number of individuals at Green Acres facilities who fall within this category so that the number/proportion of or changing trends in such staff can be adequately identified by Green Acres and the Monitor;

k. Measures designed to ensure that all residents are served in the least restrictive environment and most integrated setting appropriate to their needs;

l. Measures designed to promote adherence to the compliance and quality of care standards set forth in the applicable statutes, regulations, and the CIA, by including such adherence as a significant factor in determining the compensation to Administrators and Directors of Nursing, and the individuals responsible for such compliance at the district, regional, and corporate level;

o. Measures designed to effectively collect and analyze staffing data, including staff-to-resident ratio, staff turnover, and staffing during the periods in which falls occurred;
p. Measures designed to ensure that contractors, subcontractors and agents that fall within the ambit of Covered Persons are appropriately supervised to ensure that they are acting within the parameters of Green Acres’s Policies and Procedures and the requirements of Federal health care programs;

Measures designed to ensure that there is a system to require and centrally collect reports relating to incidents, falls, accidents, abuse, neglect, wounds that do not heal or are not treated properly, failure of dietary and nutrition services, failure to provide appropriate diabetic care, and failure to provide appropriate restorative care to residents. The reports required under this system shall be of a nature to allow the Quality Assurance Committee meaningful information to be able to determine: 1) if there is a quality of care problem; and 2) the scope and severity of the problem.

u. Measures designed to ensure that residents receive effective and appropriate wound care (decubitus ulcer) prevention and treatment that meets or exceeds the Agency for Healthcare Research and Quality (formerly, Agency for Health Care Policy and Research) Clinical Practice Guidelines for the Prediction, Prevention and Treatment of Pressure Ulcers (Guidelines), including but not limited to, implementation of protocols and procedures for skin and wound care that reflect the standards set forth in the Guidelines and use of the Guidelines as a basis to establish individualized care plans for residents with skin and wound care problems.

v. Measures designed to ensure that an effective and appropriate protocol is developed and implemented to identify residents who
are or have been diagnosed with diabetes and are at high risk of developing complications related to diabetes, including but not limited to, reporting and documentation requirements, adequate medical treatment; adequate and medically appropriate insulin coverage and treatment, adequate and appropriate dietary and nutrition support, and post diagnosis treatment and review.

Green Acres shall assess and update as necessary the Policies and Procedures at least annually and more frequently, as appropriate. Green Acres will make available to all covered persons the relevant portions of the revised Policies and Procedures within 30 days of such revisions being made. The Policies and Procedures shall be available to OIG upon request.

Within 90 days after the Effective Date, the relevant portions of the Policies and Procedures shall be made available to all appropriate Covered Persons. Compliance staff or supervisors shall be available to explain any and all policies and procedures.

C. Training and Education.

1. General Training. Within 90 days after the Effective Date, Green Acres shall provide at least two (2) hours of general training to each Covered Person. This general training shall explain Green Acres’s:

   a. CIA requirements;

   b. Compliance Program (including the Policies and Procedures as they pertain to general compliance issues); and

   c. Code of Conduct.

New Covered Persons shall receive the general training described above within 30 days of the beginning of their employment or contract, or within 90 days after the Effective Date, whichever is later. Every Covered Person shall receive such general training on an annual basis.

1Any person working at Green Acres who is hired on a temporary basis (regardless of whether he or she is considered a “Covered Person”) is required to follow the policies and procedures of Green Acres, and this CIA. Green Acres shall ensure that there is sufficient supervision to ensure that a temporary nonemployee is acting within the parameters of such policies and procedures.
2. **Specific Training.** Within 90 days after the Effective Date, Green Acres shall initiate specific training of each Covered Person who is involved directly or indirectly in the delivery of patient or resident care (including individuals who are responsible for quality assurance, setting policies or procedures, or making staffing decisions). Such Covered Persons shall receive at least four (4) hours of training pertinent to their responsibilities in addition to the general training required above. This training shall be completed within one year after the Effective Date of the CIA and conducted at least annually thereafter. This training shall, to the extent applicable to the person’s job duties, include a discussion of the policies and procedures set forth in Section III.B, including, but not limited to:

a. Policies, procedures, and other requirements applicable to the documentation of medical records;

b. The coordinated interdisciplinary approach to providing care to residents, including, but not limited to, resident assessment and care planning; nutrition; diabetes care; wound care; infection control; abuse and neglect policies and reporting procedures; appropriate drug therapies; appropriate mental health services; provision of basic care needs; incontinence care; resident rights and restraint use; ADL care; therapy services; restorative care; range of motion; quality of life, including accommodation of needs and activities; and assessment of the resident’s competence to make treatment decisions.

Affected new Covered Persons shall begin receiving this training within 10 days of the beginning of their employment or contract or within 90 days after the Effective Date of this CIA, whichever is later. If a new Covered Person has any responsibility for the delivery of patient or resident care, then prior to completing this specific training, a Covered Person who has completed the substantive training shall review all of the untrained person’s work.

Every Covered Person who is involved directly or indirectly in the delivery of patient or resident care (including individuals who are responsible for quality assurance, setting policies or procedures, or making staffing decisions) shall receive such specific training on an annual basis.

In addition to the specific training described above, Green Acres shall conduct periodic training on an “as needed” basis (but at least semi-annually) on those quality of care issues identified by the Quality Assurance Committee, the Compliance Officer, and
internal quality audits and reviews. In determining what training should be performed, Green Acres shall review the complaints received, satisfaction surveys, staff turnover data, any state or federal surveys, including those performed by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) or other such private agencies, any internal surveys, the CMS quality indicators and quality measures, and the findings, reports and recommendations of the Monitor. Such training shall be for a minimum of four (4) hours total annually. Such training shall be provided to all Covered Persons who are responsible for patient or resident care.

3. Certification. Each Covered Person shall certify, in writing, that he or she has attended the required training. The certification shall specify the type of training received and the date received. The Compliance Officer shall retain the certifications, along with specific course materials. These shall be made available to OIG upon request.

All training materials shall be made available to OIG upon request. Persons providing the training must have sufficient expertise in the subject area.

D. Independent Monitor

Within sixty (60) days after the Effective Date, Green Acres shall retain an appropriately qualified monitor(s) (the “Monitor”), appointed by the OIG after consultation with Green Acres. The Monitor may retain additional personnel, including, but not limited to, independent consultants, if needed to help meet the Monitor’s obligations under this CIA. Green Acres shall be responsible for all costs incurred by the Monitor, including, but not limited to, travel costs, consultants, administrative personnel, office space and equipment, or additional personnel. The Monitor shall charge a reasonable amount for his or her fees and expenses, which shall not exceed $350,000 total over the four-year duration of the CIA unless the OIG, after consultation with Green Acres, determines that circumstances necessitate additional expenditures. Failure to pay the Monitor within 30 calendar days of submission of its invoices for services previously rendered shall constitute a breach of the CIA and shall subject Green Acres to one or more of the remedies set forth in Section X infra. The Monitor may be removed solely at the discretion of the OIG. If the Monitor resigns or is removed for any reason prior to the termination of the CIA, Green Acres shall retain another Monitor appointed by the OIG, with the same functions and authorities. The Monitor may confer and correspond with Green Acres and OIG on an ex parte basis.

1. The Monitor shall be responsible for assessing the effectiveness, reliability and thoroughness of the following:
a. Internal quality control systems applicable to Green Acres, including, but not limited to:

(1) whether the systems in place to promote quality of care and to respond to quality of care issues are acting in a timely and effective manner;

(2) whether the communication system is effective, allowing for accurate information, decisions, and results of decisions to be transmitted to the proper individuals in a timely fashion; and

(3) whether the training programs are effective and thorough.

b. Green Acres’s response to quality of care issues, which shall include an assessment of:

(1) Green Acres’s ability to identify the problem;

(2) Green Acres’s ability to determine the scope of the problem, including, but not limited to whether the problem is isolated or systemic;

(3) Green Acres’s ability to create a corrective action plan to respond to the problem;

(4) Green Acres’s ability to execute the corrective action plan; and

(5) Green Acres’s ability to evaluate whether the assessment, corrective action plan, and execution of that plan was effective, reliable, and thorough.

c. Green Acres’s development and implementation of corrective action plans and the timeliness of such actions;

d. Green Acres’s proactive steps to ensure that each patient and resident receives care in accordance with:

(1) basic care, treatment and protection from harm standards;
(2) the rules and regulations set forth in 42 C.F.R. Parts 482 and 483;

(3) state and local statutes, regulations, and other directives or guidelines; and

(4) the policies and procedures adopted by Green Acres and set forth in this CIA.

2. The Monitor shall have:

a. immediate access to all Green Acres facilities, at any time and without prior notice, to assess compliance with this CIA, to assess the effectiveness of the internal quality assurance mechanisms, and to ensure that the data being generated is accurate;

b. immediate access to:

   (1) the CMS quality indicators and quality measures;

   (2) internal or external surveys or reports;

   (3) Disclosure Program complaints;

   (4) resident satisfaction surveys;

   (5) staffing data in the format requested by the Monitor, including reports where more than 10 percent of the staff are hired on a temporary basis;

   (6) reports of abuse, neglect, or an incident that required hospitalization or emergency room treatment;

   (7) reports of any falls;

   (8) reports of any incident involving a patient or resident that prompts a full internal investigation;

   (9) patient or resident records;
(10) documents in the possession or control of any quality assurance committee, peer review committee, medical review committee, or other such committee; and

(11) any other data in the format the Monitor determines relevant to fulfilling the duties required under this CIA; and

c. immediate access to residents and to Covered Persons for interviews outside the presence of Green Acres supervisory staff or counsel, provided such interviews are conducted in accordance with all applicable laws and the rights of such individuals. The Monitor shall give full consideration to an individual's clinical condition before interviewing a resident or patient.

3. **Green Acres's Obligations.** Green Acres shall:

a. ensure the Monitor's immediate access to any Green Acres facility, Green Acres staff, residents, and documents, and assist in obtaining full cooperation by current employees, contractors and agents;

b. provide the Monitor a report monthly, or sooner if requested by the Monitor, regarding each of the following occurrences:

(1) Deaths or injuries related to use of restraints;

(2) Deaths or injuries related to use of psychotropic medications;

(3) Suicides;

(4) Deaths or injuries related to abuse or neglect (as defined in the applicable Federal guidelines);

(5) Fires, storm damage, flooding, or major equipment failures at any facility;

(6) Strikes or other work actions;

(7) Manmade disasters that pose a threat to residents (e.g., toxic waste spills);
(8) Deaths or injuries or deterioration of health related to failure to treat or monitor wounds or diabetic conditions; and

(9) Any other incident that involves or causes actual harm to a resident when such incident prompts a full internal investigation.

Each such report shall contain the full name, social security number, and date of birth of the resident(s) involved, the date of death or incident, a brief description of the events surrounding the death or incident, the identities of the persons involved, the status of the investigation, and any corrective action taken in response to the investigation, and any other steps taken to prevent recurrence.

c. assist in locating and, if requested, obtaining cooperation from past employees, contractors, agents, and residents and their families;

d. provide access to current residents, and contact information for their families and guardians, and not impede their cooperation with the Monitor;

e. provide to the Quality Assurance Committee copies of all documents and reports provided to the Monitor;

f. provide the last known contact information for former residents, their families, or guardians consistent with the rights of such individuals under state or Federal law, and not impede their cooperation;

g. promptly address any written recommendation made by the Monitor either by substantially implementing the Monitor's recommendations or by explaining in writing why they have elected not to do so;

h. pay the Monitor's bills within 30 days of receipt. While Green Acres must pay all the Monitor's bills within 30 days, Green Acres may bring any disputed Monitor's Costs or bills to OIG's attention; and
i. not sue or otherwise bring any action against the Monitor related to any findings made by the Monitor or related to any exclusion or other sanction of Green Acres under this CIA; provided, however, that this clause shall not apply to any suit or other action based solely on the dishonest or illegal acts of the Monitor, whether acting alone or in collusion with others.

4. **The Monitor's Obligations.** The Monitor shall:

   a. respect the legal rights, privacy, and dignity of all Covered Persons, and residents;

   b. where independently required to do so by applicable law or professional licensing standards, report any finding to an appropriate regulatory or law enforcement authority, simultaneously submit copies of such reports to the OIG and to Green Acres;

   c. at all times act reasonably in connection with his or her duties under the CIA including when requesting information from Green Acres;

   d. simultaneously provide quarterly reports to Green Acres and OIG concerning the findings made to date;

   e. submit bills to Green Acres on a consolidated basis no more than once per month, and submit an annual summary representing an accounting of costs throughout the year to Green Acres and to OIG. The Monitor shall submit to Green Acres and the OIG an annual report representing an accounting of its costs throughout the year;

   f. not be bound by any other private or governmental agency's findings or conclusions, including, but not limited to, JCAHO, CMS, or the state survey agency. Likewise, such private and governmental agencies shall not be bound by the Monitor's findings or conclusions. The Monitor's reports shall not be the sole basis for determining deficiencies by the state survey agencies. CMS and its contractors shall not introduce any material generated by the Monitor, or any opinions, testimony, or conclusions from the Monitor as evidence into any proceeding involving a Medicare or Medicaid survey, certification, or other enforcement action against Green Acres, and Green Acres shall similarly be restricted from using material
generated by the Monitor, or any opinions, testimony, or conclusions from the Monitor as evidence in any of these proceedings. Nothing in the previous sentence, however, shall preclude the OIG or Green Acres from using any material generated by the Monitor, or any opinions, testimony, or conclusions from the Monitor in any action under the CIA or pursuant to any other OIG authorities or in any other situations not explicitly excluded in this subsection;

g. abide by the legal requirements of Green Acres to maintain the confidentiality of each resident's personal and clinical records. Nothing in this subsection, however, shall limit or affect the Monitor's obligation to provide information, including information from patient and resident clinical records, to the OIG, and, when legally or professionally required, reporting to other agencies;

h. abide by the provisions of the Health Insurance Portability and Accountability Act ("HIPAA") of 1996 to the extent required by law including, without limitation, entering into a business associate agreement with Covered Entity facilities;

i. except to the extent required by law, maintain the confidentiality of any proprietary financial and operational information, processes, procedures and forms obtained in connection with its duties under this CIA and not comment publicly concerning its findings except to the extent authorized by the OIG; and

j. visit Green Acres as often as the Monitor believes it necessary to perform its functions.

E. Disclosure Program.

Green Acres has established a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the reporting individual’s chain of command, any identified issues or questions associated with Green Acres's policies, conduct, practices, or procedures with respect to quality of care or a Federal health care program, believed by the individual to be a potential violation of criminal, civil, or administrative law or the applicable standard of care. Green Acres shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas such as the lobby, dining rooms, activity rooms, waiting rooms).
The Disclosure Program shall continue to emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather the information in such a way as to elicit all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: 1) permits a determination of the appropriateness of the alleged improper practice; and 2) provides an opportunity for taking corrective action, Green Acres shall conduct an internal review of the allegations set forth in such a disclosure and ensure that proper follow-up is conducted, including that the inappropriate or improper practice ceases immediately.

The Compliance Officer shall maintain a disclosure log, which shall include a record and summary of each allegation received (whether anonymous or not), the status of the respective investigations, and any corrective action taken in response to the investigation. The disclosure log shall be sent to the Monitor not less than monthly and shall be made available to the OIG upon request.

F. Ineligible Persons.

1. Definitions. For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:
      i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
      ii. has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

   b. “Exclusion Lists” include:
      i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at http://oig.hhs.gov); and
ii. the General Services Administration’s List of Parties Excluded from Federal Programs (available through the Internet at http://epls.arnet.gov).

c. “Screened Persons” include prospective and current owners, officers, directors, employees, contractors, and agents of Green Acres.

2. Screening Requirements. Green Acres shall ensure that all Screened Persons are not Ineligible Persons, by implementing the following screening requirements.

a. Green Acres shall screen all Screened Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such persons to disclose whether they are an Ineligible Person.

b. Green Acres shall screen all Screened Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.

c. Green Acres shall implement a policy requiring all Screened Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in this Section affects the responsibility of (or liability for) Green Acres to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by an Ineligible Person. Green Acres understands that items or services furnished by excluded persons are not payable by the Federal health care programs and that Green Acres may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Green Acres meets the requirements of Section III.F.

3. Removal Requirement. If Green Acres has actual notice that a Screened Person has become an Ineligible Person, Green Acres shall remove such person from responsibility for, or involvement with, Green Acres’s business operations related to the Federal health care programs and shall remove such person from any position for which the person’s compensation or the items or services furnished, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the person is reinstated into participation in the Federal health care programs.
4. Pending Charges and Proposed Exclusions. If Green Acres has actual notice that a Screened Person is charged with a criminal offense that falls within the ambit of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during his or her employment or contract term, Green Acres shall take all appropriate actions to ensure that the responsibilities of that person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings.

Within 30 days after discovery, Green Acres shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Green Acres conducted or brought by a governmental entity or its agents involving an allegation that Green Acres has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Green Acres shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any. In addition, within 15 days after notification, Green Acres shall notify OIG, in writing, of any adverse final determination made by a Federal, State, or local Government agency or accrediting or certifying agency (e.g., JCAHO) regarding quality of care issues, excluding HCFA 2567 survey results unless specifically requested by the OIG.

H. Reporting.

1. Overpayments.

   a. Definition of Overpayments. For purposes of this CIA, an "Overpayment" shall mean the amount of money Green Acres has received in excess of the amount due and payable under any Federal health care program requirements for services and items.

   b. Reporting of Overpayments. If, at any time, Green Acres identifies or learns of any Overpayment, Green Acres shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, Green Acres
shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified, within 30 days after identification, Green Acres shall notify the payor of their efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies, and, for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix C to this CIA. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

2. Reportable Events.

a. **Definition of Reportable Event.** For purposes of this CIA, a “Reportable Event” means anything that involves:

   i. a substantial Overpayment; or

   ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized; or

   iii. a violation of the obligation to provide items or services of a quality that meets professionally recognized standards of health care where such violation has occurred in one or more instances and presents an imminent danger to the health, safety, or well-being of a Federal health care program beneficiary or places the beneficiary unnecessarily in high-risk situations.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. **Reporting of Reportable Events.** If Green Acres determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a
Reportable Event, Green Acres shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

i. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section III.H.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor’s name, address, and contact person to whom the Overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

iii. a description of Green Acres’s actions taken to correct the Reportable Event; and

iv. any further steps Green Acres plan to take to address the Reportable Event and prevent it from recurring.

IV. NEW BUSINESS UNITS OR LOCATIONS

In the event that, after the Effective Date, Green Acres changes locations or sells, closes, purchases, or establishes a new business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs, Green Acres shall notify OIG of this fact as soon as possible, but no later than within 30 days after the date of change of location, sale, closure, purchase, or establishment. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare provider number, provider identification number and/or supplier number, and the corresponding contractor’s name and address that has issued each Medicare number. Each new business unit or location shall be subject to all the requirements of this CIA.

3. any changes to Green Acres’s Code of Conduct required by Section III.B.1;

The first Annual Report shall be received by the OIG no later than one year and 90 days after the Effective Date. Subsequent Annual Reports shall be submitted no later than the anniversary date of the due date of the first Annual Report.

The Annual Reports shall include a certification by the Compliance Officer, under penalty of perjury, that: 1) Green Acres is in compliance with all of the requirements of this CIA, to the best of his or her knowledge; and 2) the Compliance Officer has reviewed the Report and has made reasonable inquiry regarding its content and believes that, upon such inquiry, the information is accurate and truthful. Each Report shall also include a resolution (or its equivalent) from Green Acres’s Board of Directors certifying that they have reviewed the Annual Report and agree with the statements made therein.

VII. OIG INSPECTION, AUDIT AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s), may examine and photocopy Green Acres’s books, records, and other documents and supporting materials and/or conduct an onsite review of its operations for the purpose of verifying and evaluating: 1) Green Acres’s compliance with the terms of this CIA; and 2) its compliance with the requirements of the Federal health care programs in which Green Acres participates. The documentation described above shall be made available by Green Acres to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Green Acres’s employees, contractors, or agents who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the employee, contractor, or agent and OIG. Green Acres agrees to assist OIG in contacting and arranging interviews with such employees, contractors, or agents upon OIG’s request. Green Acres’s employees, and the contractors and agents may elect to be interviewed with or without a representative of Green Acres present.
VIII. DOCUMENT AND RECORD RETENTION

Green Acres shall maintain for inspection all documents and records relating to compliance with this CIA, one year longer than the term of this CIA (or longer if otherwise required by law).

IX. DISCLOSURES

Subject to HHS's Freedom of Information Act (FOIA) procedures, set forth in 45 C.F.R. Part 5, the OIG shall make a reasonable effort to notify Green Acres prior to any release by OIG of information submitted by Green Acres pursuant to their obligations under this CIA and identified upon submission by Green Acres as trade secrets, commercial or financial information and privileged and confidential under the FOIA rules. Green Acres shall refrain from identifying any information as trade secrets, commercial, or financial information and privileged and confidential that does not meet the criteria for exemption from disclosure under FOIA.

X. BREACH AND DEFAULT PROVISIONS

Green Acres is expected to fully and timely comply with all of the obligations herein throughout the term of this CIA or other time frames herein agreed to.

A. Specific Performance of CIA Provisions. If OIG determines that Green Acres is failing to comply with a provision or provisions of this CIA and decides to seek specific performance of any of these provisions, OIG shall provide Green Acres with prompt written notification of such determination (Noncompliance Notice). Green Acres shall have 30 days from receipt of the Noncompliance Notice within which to either: 1) cure the alleged failure to comply; or 2) reply in writing that Green Acres disagrees with the determination of noncompliance and request a hearing before an HHS Administrative Law Judge (ALJ), pursuant to the provisions set for in section X.E of this CIA. The purpose of the hearing is to determine whether Green Acres has failed to comply with the CIA and whether Green Acres shall be required to implement the particular provisions at issue.

B. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, Green Acres and OIG agree that failure to comply with certain obligations set forth in this CIA may lead to the imposition of the following monetary penalties (Stipulated Penalties) in accordance with the following provisions.
1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day, beginning 120 days after the Effective Date and concluding at the end of the term of this CIA, Green Acres fails to establish and implement any of the following obligations as described in Section III:

   a. a Compliance Officer;
   b. a Compliance Committee;
   c. a program for performing internal audits and reviews;
   d. a written Code of Conduct;
   e. Written Policies and Procedures;
   f. the training of Covered Persons;
   g. retention and payment of a Monitor;
   h. a Disclosure Program;
   i. Ineligible Persons screening and removal requirements; and
   j. Notification of Government investigations or legal proceedings.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Green Acres fails to submit the Implementation Report or Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

3. A Stipulated Penalty of $1,500 (which shall begin to accrue on the date that Green Acres fails to grant access) for each day Green Acres fails to grant access to the information or documentation as required in section VII of this CIA.

4. A Stipulated Penalty of $5,000 (which shall begin to accrue ten (10) days after the date OIG provides notice to Green Acres of the failure to comply) for each day Green Acres fails to comply fully and adequately with an obligation of this CIA that is widespread or systemic in nature or reflective of a pattern or practice. In its notice to Green Acres, the OIG shall state the specific grounds for its determination that the Green Acres has failed to comply fully and adequately with the CIA obligation(s) at issue.

5. A Stipulated Penalty of $1,000 (which shall begin to accrue ten (10) days after the date OIG provides notice to Green Acres of the failure to comply) for each day Green Acres fails to comply fully and adequately with any obligation of this CIA. In its notice to Green Acres, the OIG shall state the specific grounds for its determination that Green Acres has failed to comply fully and adequately with the CIA obligation(s) at issue.
6. A Stipulated Penalty of $5,000 for each false certification submitted by or on behalf of Green Acres as part of its Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 (which shall begin to accrue ten (10) days after the date OIG provides notice to Green Acres of the failure to comply) for each day Green Acres fails to comply fully and adequately with any of its obligations with respect to the Monitor, as set forth in section III.D.3. In its notice to Green Acres, the OIG shall state the specific grounds for its determination that Green Acres has failed to comply fully and adequately with the CIA obligation(s) at issue.

C. Payment of Stipulated Penalties.

1. Demand Letter. Upon a finding that Green Acres has failed to comply with any of the obligations described in section X.B and after determining that Stipulated Penalties are appropriate, OIG shall notify Green Acres by personal service or certified mail of: (a) Green Acres’s failure to comply; and (b) the OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is hereinafter referred to as the “Demand Letter”).

Within fifteen (15) days of the date of the Demand Letter, Green Acres shall either: a) cure the breach to the OIG’s satisfaction and pay the applicable Stipulated Penalties; or b) request a hearing before an HHS ALJ to dispute the OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.D. In the event Green Acres elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Green Acres cures, to the OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under section X.D.

2. Timely Written Requests for Extensions. Green Acres may submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Green Acres fails to meet the revised deadline as agreed to by the OIG-approved extension. Notwithstanding any other provision in this section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until two (2) business days after Green Acres receives OIG’s written denial of such request or when the original obligation becomes due, whichever is later. A "timely written request" is defined
as a request in writing received by OIG at least five (5) business days prior to the date by
which any act is due to be performed or any notification or report is due to be filed.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made
by certified or cashier’s check, payable to “Secretary of the Department of Health and
Human Services,” and submitted to OIG at the address set forth in Section VI.

4. **Independence from Material Breach Determination.** Except as
otherwise noted, these provisions for payment of Stipulated Penalties shall not affect or
otherwise set a standard for the OIG’s determination that Green Acres has materially
breached this CIA, which decision shall be made at the OIG’s discretion and governed by
the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. a failure to meet an obligation under the CIA that has a material
      impact on the quality of care rendered to any residents of Green
      Acres facilities;

   b. repeated or flagrant violations of the obligations under this CIA,
      including, but not limited to, the obligations addressed in section
      X.B of this CIA;

   c. a failure to respond to a Demand letter concerning the payment of
      Stipulated Penalties in accordance with Section X.B above;

   c. a failure to retain, pay, or use the Monitor in accordance with
      section III.D; or

   e. a failure by Green Acres to report a Reportable Event, take
      corrective action, and make the appropriate refunds, as required in
      Section III.H.
2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Green Acres constitutes an independent basis for Green Acres’s or one of its facilities’ exclusion from participation in the Federal health care programs, as defined in 42 U.S.C. § 1320a-7b(f). Upon a determination by OIG that Green Acres has materially breached this CIA and that exclusion should be imposed, the OIG shall notify Green Acres by certified mail of: a) Green Acres’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion (Notice of Material Breach and Intent to Exclude).

3. **Opportunity to cure.** Green Acres shall have thirty (30) days from the date of the Notice of Material Breach and Intent to Exclude Letter to demonstrate to the OIG’s satisfaction that:

   a. Green Acres is in full compliance with this CIA;
   b. The alleged material breach has been cured; or
   c. The alleged material breach cannot be cured within the 30 day period, but that: (1) Green Acres has begun to take action to cure the material breach; (2) Green Acres is pursuing such action with due diligence; and (3) Green Acres has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If at the conclusion of the 30 day period, Green Acres fails to satisfy the requirements of Section X.D.3, OIG may exclude Green Acres or its facilities from participation in the Federal health care programs. OIG shall notify Green Acres in writing of its determination to exclude Green Acres or its facilities (Exclusion Letter). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and non-procurement programs. If Green Acres or its facilities are excluded under the provisions of this CIA, Green Acres or its facilities may seek reinstatement pursuant to the provisions at 42 C.F.R. §§ 1001.3001-.3004.
E. Dispute Resolution

1. Review Rights. Upon the OIG's delivery to Green Acres of the Noncompliance Notice, Demand Letter, or Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under the obligation of this CIA, Green Acres shall be afforded certain review rights comparable to those set forth in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the specific performance, Stipulated Penalties, or exclusion sought pursuant to this CIA. Specifically, an action for specific performance, a demand for payment of Stipulated Penalties, or an action for exclusion shall be subject to review by an ALJ and, in the event of an appeal, the Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), a request for a hearing involving specific performance or Stipulated Penalties shall be made within fifteen (15) days of the date of the Demand Letter, and a request for a hearing involving exclusion shall be made within 30 days of the date of the Exclusion Letter.

2. Specific Performance Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for specific performance of CIA provisions shall be: a) whether, at the time specified in the Noncompliance Notice, Green Acres were in full and timely compliance with the obligations of this CIA for which the DIG seeks specific performance; and b) whether Green Acres failed to cure. Green Acres shall have the burden of proving their full and timely compliance and the steps taken to cure the noncompliance, if any. If the ALJ finds for the DIG, Green Acres shall take the actions DIG deems necessary to cure within 20 days after the ALJ issues such a decision notwithstanding that Green Acres may request review of the ALJ decision by the DAB.

3. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for stipulated penalties under this CIA shall be: (a) whether Green Acres was in full and timely compliance with the obligations of this CIA for which the OIG demands payment; and (b) the period of noncompliance. Green Acres shall have the burden of proving their full and timely compliance and the steps taken to cure the noncompliance, if any. If the ALJ finds for the OIG with regard to a finding of a breach of this CIA and orders Green Acres to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision notwithstanding that Green Acres may request review of the ALJ decision by the DAB.

4. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a
proceeding for exclusion based on a material breach of this CIA shall be: a) whether Green Acres was in material breach of this CIA; b) whether such breach was continuing on the date of the Exclusion Letter; and c) whether the alleged material breach cannot be cured within the 30 day period, but that (1) Green Acres has begun to take action to cure the material breach, (2) Green Acres has pursued and is pursuing such action with due diligence, and (3) Green Acres has provided to OIG a reasonable timetable for curing the material breach and Green Acres has complied with that timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Green Acres, only after a DAB decision in favor of OIG. Green Acres’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Green Acres or its facilities upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Green Acres may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Green Acres shall waive their right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Green Acres, Green Acres shall be reinstated effective on the date of the original exclusion.

5. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

6. Review by Other Agencies. Nothing in this CIA shall affect the right of CMS or any other federal or state agency to enforce any statutory or regulatory authorities with respect to Green Acres’s compliance with applicable state and Federal health care program requirements.

XI. EFFECTIVE AND BINDING AGREEMENT

Consistent with the provisions in the Settlement Agreement pursuant to which this CIA is entered, and into which this CIA is incorporated, Green Acres and OIG agree as follows:

A. This CIA shall be binding on the successors, assigns, and transferees of Green Acres.
B. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

C. Any modifications to this CIA shall be made with the prior written consent of the parties to this CIA.

D. OIG may agree to a suspension of Green Acres's obligations under the CIA in the event of Green Acres's cessation of participation in Federal health care programs. If Green Acres withdraws from participation in Federal health care programs and Green Acres is relieved of its CIA obligations by OIG, Green Acres shall notify OIG at least 30 days in advance of Green Acres's intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the CIA should be reactivated or modified.

E. The undersigned Green Acres signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatory represents that he is signing this CIA in his official capacity and that he is authorized to execute this CIA.
