Dear Capt. Langheim:

As provided under Federal regulations at 45 CFR § 1007.20(a)(4)(iv), the Office of Inspector General (OIG) approves the renewal application of the Illinois Medicaid Fraud Control Unit (Unit) to conduct data mining. In considering the application, we have consulted with the Centers for Medicare & Medicaid Services.

This approval covers a 3-year period beginning February 27, 2022 and ending February 26, 2025. Under the regulations, the Unit may request renewal of this approval for additional 3-year periods by submitting a written request to OIG. An application for renewal should be submitted to OIG no later than January 13, 2025. Please ensure that you continue to include the outcomes of your data mining activities as part of the Unit's recertification materials that are due every year by April 30, as outlined in section 1007.17(a)(1)(ii) of the regulations.

If you have any questions, please contact Keith Peters of my staff at Keith.Peters@oig.hhs.gov.

Sincerely,
