The Honorable Mick Mulvaney  
Director  
Office of Management and Budget  
725 17th Street, NW  
Washington, DC 20503

Dear Director Mulvaney:

The Government Charge Card Abuse Prevention Act of 2012 requires Inspectors General to report on the implementation of recommendations made to their agencies to address audit findings for travel and purchase cards. Office of Management and Budget (OMB) guidance requires Inspectors General to submit their reports to OMB by January 31 of each year.

As the Act requires, the Office of Inspector General (OIG) for the U.S. Department of Health and Human Services (HHS) continues to conduct periodic assessments of the travel and purchase card programs at HHS. These assessments are completed to identify and analyze risks of illegal, improper, or erroneous purchases and payments.

HHS OIG issued no reports during fiscal year 2019. We have an ongoing assessment of travel and purchase programs at a specific Operating Division, and we expect to issue reports on that Operating Division in spring 2020. The status of three open recommendations is summarized in the attached table.

If you or your staff have any questions, please contact Carla Lewis, Director, Grants and Internal Activities, Office of Audit Services, at (202) 205-9125 or through email at Carla.Lewis@oig.hhs.gov. Please refer to report number A-04-19-06232 in all correspondence.

Sincerely,

/Amy J. Frontz/  
Deputy Inspector General  
for Audit Services
